[42 FR 38376, July 28, 1977, as amended at 44 FR 55579, Sept. 27, 1979]

§ 525.9 Duration of exemption.

An exemption may be granted under this part for not more than three model years.

§ 525.10 Renewal of exemption.

A manufacturer exempted under this part may request renewal of its exemption by submitting a petition meeting the requirements of §§ 525.6 and 525.7.

§ 525.11 Termination of exemption; amendment of alternative average fuel economy standard.

(a) Any exemption granted under this part for an affected model year does not apply to a manufacturer that is ineligible under § 525.5 for an exemption in that model year.

(b) The administrator may initiate rulemaking either on his own motion or on petition by an interested person to terminate an exemption granted under this part or to amend an alternative average fuel economy standard established under this part.

(c) Any interested persons may petition the Administrator to terminate an exemption granted under this part or to amend an alternative average fuel economy standard established under this part.

§ 525.12 Public inspection of information.

(a) Except as provided in paragraph (b), any person may inspect available information relevant to a petition under this part, including the petition and any supporting data, memoranda of informal meetings with the petitioner or any other interested persons, and the notices regarding the petition, in the Docket Section of the National Highway Traffic Safety Administration. Any person may obtain copies of

49 CFR Ch. V (10-1-03 Edition)

the information available for inspection under this paragraph in accordance with Part 7 of the regulations of the Office of the Secretary of Transportation (49 CFR part 7).

(b) Except for the release of confidential information authorized by section 505 of the Act and part 512 of this chapter, information made available for public inspection does not include information for which confidentiality is requested under § 525.6(g) and is granted in accordance with Part 512 and sections 502 and 505 of the Act and section 552(b) of title 5 of the U.S.C.

PART 526—PETITIONS AND PLANS FOR RELIEF UNDER THE AUTOMOBILE FUEL EFFICIENCY ACT OF 1980

Sec.

526.1 General provisions.

526.2 U.S. production by foreign manufacturer.

526.3 Transfer of vehicle from non-domestic to domestic fleet.

526.4 [Reserved]

526.5 Earning offsetting monetary credits in future model years.

AUTHORITY: 15 U.S.C. 2002 and 2003; delegation of authority at 49 CFR 1.50.

SOURCE: 47 FR 7248, Feb. 18, 1982, unless otherwise noted.

§ 526.1 General provisions.

(a) *Applicability.* These regulations apply to petitions and plans submitted under the Automobile Fuel Efficiency Act of 1980, Pub. L. 96-425, as codified in Title V of the Motor Vehicle Information and Cost Savings Act, 15 U.S.C. 2001 *et seq.*

(b) *Address.* Each petition and plan submitted under the applicable provisions of sections 502 and 503 of the Motor Vehicle Information and Cost Savings Act must be addressed to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, SW., Washington DC 20590.

(c) *Authority and scope of relief.* Each petition or plan must specify the specific provision of the Motor Vehicle Information and Cost Savings Act under which relief is being sought. The petition or plan must also specify the

model years for which relief is being sought.

[47 FR 7248, Feb. 18, 1982, as amended at 59 FR 25576, May 17, 1994]

§ 526.2 U.S. production by foreign manufacturer.

Each petition filed under section 503(b)(3) of the Motor Vehicle Information and Cost Savings Act must contain the following information:

(a) For each model type (as defined by the Environmental Protection Agency in 40 CFR part 600) planned by the petitioner to be sold in the United States (regardless of place of manufacture), and for each model year beginning with the year before the first one for which relief is sought by the petition through the last year covered by the petition, the following information based on the petitioner's current product plan and the assumption that the petition will be granted:

(1) A description of the model type, including car line designation, engine displacement and type, transmission type, and average fuel economy;

(2) U.S. sales projected for the model type;

(3) The average percentage of the cost to the manufacturer of the model type which is attributable to value added in the United States or Canada, determined in accordance with 40 CFR 600.511-80, and the total manufacturing cost per vehicle; and

(4) In the case of model types not offered for sale in the United States before the first year for which relief is sought in the petition or other model types for which expansions in production capacity are planned during the years covered by the petition, information (including any marketing surveys) indicating from where the additional sales will be captured. If sales are projected to be captured from U.S. manufacturers, the petition must provide an estimate of the employment impact on those manufacturers of the lost sales and the gain in employment for the petitioner and its U.S. suppliers.

(b) The total number of persons employed in the United States by the petitioner, excluding non-motor vehicle industry related employees, for each model year covered by the petition and

for the model year immediately prior to those years.

(c) A description of how the petitioner's responses to paragraphs (a) and (b) of this section would differ if the petition were denied.

[47 FR 7248, Feb. 18, 1982, as amended at 59 FR 25576, May 17, 1994]

§ 526.3 Transfer of vehicle from non-domestic to domestic fleet.

Each plan submitted under section 503(b)(4) of the Motor Vehicle Information and Cost Savings Act must contain the following information:

(a) For each model year for which relief is sought in the plan and for each model type of automobile sought to be included by the submitter in its domestic fleet under the plan (i.e., those with at least 50 percent but less than 75 percent U.S. or Canadian value added), provide the following information:

(1) A description of the model type, including engine type and displacement, transmission class, car line designation, and fuel economy;

(2) The projected U.S. sales of the model type;

(3) The average total manufacturing cost per vehicle for the model type;

(4) The percentage of the cost to the manufacturer attributable to value added in the United States or Canada for the model type;

(b) For each year covered by the plan, a list of individual product actions (e.g., change from imported engine to domestically manufactured engine) which will increase the domestic content of the affected vehicles. For each action, provide the model year in which the action will take effect, a description of the nature of the action, and the percentage change in domestic content resulting from the action.
